

AMENDMENT

Kindly amend the application, without prejudice, without admission, without surrender of subject matter, and without any intention of creating any estoppel as to equivalents, as follows:

In the Specification:

Please replace the paragraphs of page 2, lines 4- 13, as amended in the Preliminary Amendment filed August 24, 2006, with the following paragraph:

-- The present invention relates to a device for determining the position and/or the speed and/or the direction of a movable member. Further, the present invention relates to the use of an electric signal output from the device for controlling the electric power supply of an element of a motor, and to a powered assembly.--
